

Neenah Rotary donates to St. Joe's

Post-Crescent Media 11:03 p.m. CST January 6, 2015

MENASHA – St. Joseph Food Program supports the efforts of area school back pack food assistance programs by providing some of the needed nutritional foods that specific high need students need over a weekend. The Neenah Rotary has donated \$1,000 to assist this program.

"Weekends can be hard for those students in need of food because resources, such as school breakfast or lunch are not available," said Monica Clare, executive director of St. Joseph Food Program. "The students who receive this help are very specific and are a small percentage of the student population."

"We appreciate any opportunity to collaborate with organizations like St. Joe's in order to support our student's needs," said Jennifer Keberlein, Menasha High School social worker.

Donations to St. Joseph Food Program may be made on line at www.stjoesfoodprogram.org or mailed to St. Joseph Food Program, 1465 Opportunity Way, Menasha, WI 54952.
