St. Joseph Food Program will be purchasing a new truck with the help of a \$15,000 grant from the Bemis Foundation and an anonymous donation of \$10,000.

"This show of support has a tremendous impact on our ability to continue serving the needs of our clients. We depend on the reliability of our trucks to go out daily to pick up large amount of donated food. The donated food provides more options for our clients and a savings on our budgeted food items that we must purchase." said Karen Ziemke, development director at St. Joseph Food Program.

St. Joe's sends out two trucks every day to pick up donated food items from grocery stores, bakeries and food drive locations. If you have food you would like to donate to St. Joe's and need assistance with pick up please call (920) 734-9461.

Donations to St. Joseph Food Program may be made on line at www.stjoesfoodprogram.org or mailed to St. Joseph Food Program, 1465 Opportunity Way, Menasha WI 54952.
