

St. Joe's receives help from local organizations

Wisconsin 10:11 a.m. CDT March 19, 2014

Recycle That Stuff recently waived the recycling fee for electronics, including older TVs and computer monitors, in exchange for one nonperishable food item per unit to benefit St. Joseph Food Pantry.

More than 560 pounds of nonperishable food items were collected. That translates to more than 10,000 pounds of TVs and more than 1,450 pounds of old computer monitors kept out of landfills and properly recycled to protect the environment. For more information about Recycle That Stuff, visit www.recyclethatstuff.com or call 920-955-3760.

In addition, the Neenah Rotary Club recently gave a \$1,000 grant to the St. Joseph Food Program.

Donations to St. Joe's may be made online at www.stjoesfoodprogram.org (<http://www.stjoesfoodprogram.org/>) or mailed to St. Joseph Food Program, 1465 Opportunity Way, Menasha, WI 54952.
