BI-ANNUAL NEWSLETTER | FALL 2019

“ I’m kind of a proud person. I didn’t want to come (to St. Joe’s) because I didn’t figure I needed handouts. But I know this isn’t one.

**They are here to help.** ”

# St. Joe's Legacy Circle

One of the most meaningful and impactful ways you can give is by naming St. Joseph Food Program in your will or estate plan. Planned giving enables you to leave a legacy in our community, while ensuring the future of St. Joe's

for generations to come. Please contact your financial advisor or estate attorney for more information.

If you have already named St. Joe's in your will or estate plan—**thank you!** You may remain anonymous if you wish, but we'd like to express our appreciation personally!

**This year make your IRA charitable! The rollover is now permanent.** Congress reinstated a law that allows you to make a tax-free gift from your individual retirement account (IRA). Known as the IRA charitable rollover, this law no longer has an expiration date, so you are free to make annual gifts to us from your IRA this year and well into the future.

## CLIENT GUEST EXPERIENCE

★ ★ TOP PRIORITY ★ ★

Volunteers power the human energy at St. Joe's and our volunteers provide the daily face to face service for client guests. Collectively, these volunteers have years of valuable experience. Therefore, it was natural fit to bring together a **Volunteer Advisory Committee** to help make the client guest experience the best it can be. Board and staff members have been considering ways that we can utilize our space to better serve our clients. This group of volunteers brings a breadth of life experience across multiple volunteer jobs and professional backgrounds. They have learned more about St. Joe's and our history and have even toured other pantries. In the coming months, they'll propose their collective visions for the future of service at St. Joseph Food Program.

We're grateful and proud to have such a dedicated group of volunteers.

## Alert!

There will be **NO Scouting for Food Drive this year...** we will need your help to make up the difference of approximately **15,000 pounds**. What we need:

- Canned meats, tuna and chicken
- Low/no sugar canned fruit
- Low/no sodium soups
- Low/no sugar cereals
- No sugar applesauce
- Peanut butter
- **No Halloween Candy Please!** St. Joe's strives to provide nutritious food options to our client guests. While we have no issue with them enjoying an occasional treat, we won't stock our shelves with candy, bakery sweets or soda. We want to ensure that they have ready access to healthy food choices. Thank you for supporting this policy!
